

Meet Your Examiner II at KEZF

The first major challenge in every pilot's training is the FAA Practical Test. Many pilots fear the practical test; maybe because they are nervous test takers, or perhaps it's the first time that someone other than their CFI is evaluating their performance. Whatever the reason, proper preparation is the key to success! Attend this exclusive briefing presented by local FAA Designated Pilot Examiner on a variety of important topics including the common reasons for practical test failures! Don't miss it! Click the link below and register TODAY.

Directions: Shannon Airport is located off Tidewater Trail, which is also SR 2/17. Enter on Shannon Airport Circle and park anywhere in the parking lot. The Robins Nest Cafe sign is clearly visible from the parking lot. Enter through the door to the left of the sign.
